(w#) Progressive class series that restart at the beginning of every month. Students should start with Week 1 of the series, and take classes consecutively. **Underlined and bolded classes** indicate where new students can join a Level 1 series for the month (typically by the 14th of the month).

(np) Non-progressive class series. Classes can be started at any point in the series (with completion of prerequisites, if any apply).

*** Upper-level class and/or a class with a prerequisite.** Students typically need to attend each level of a series for 3–4 months before advancing to the next level (ex. 3–4 months of Level 1 before advancing to Level 2, etc.). Promotion by the instructor into Level 2 and higher classes is required.

**** Regular weekly events** that CAN be redeemed with Membership credits; NOT redeemable with any other group class payment option.

***** Specialty workshops, master classes, or special events** that CANNOT be redeemed with a regular group class credit (Membership, Flex Package, etc.) of any kind. Please check with the studio for details & pricing.
